Daniel St Cyr

Dear Mr. St Cyr

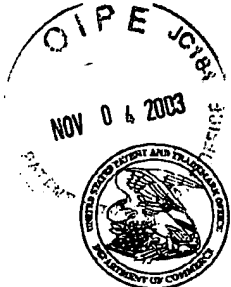

I have enclosed the change of correspondence address applications for 09/399,415 as well as the Statement under 37 CFR and a copy of the original assignment document and the Notice of Customer Number Assignment. You also received a phone call voice mail today from Kurt Stevenson asking that all future correspondence be sent to the indicated address and that I have authority to act on this application. If there is a specific or generic form that the USPTO would like granting me power of attorney or other authority could you please point it out to me. Also, could you send any communications subsequent to the letter I received , mailed July 30, 2003 from your office signed by John J. Gillon, Jr. granting the petition to revive under 37 CFR 1.137(b)

I appreciate your attention to this matter and look forward to your reply.

Sincerely

Steven Gonzalo
